The Villa Kunterbunt

In the Villa Kunterbunt there are many great games, a ball pool, a marble track, dolls, a rocking horse, Lego and Lego Duplo, a train and much more to play and run around. A special highlight for our younger guests is also the cushioning room where you can build caves, houses, castles and much more.

A wide range of craft materials are also available, waiting to be glued, painted and cut. On the upper floor of Villa Kunterbunt there is a workbench for all those of our little guests who like to work and a space where you can build small houses, castles, farms and garages with small Teifoc stones.

Come by, we look forward to seeing you!
