Out-and-about diversity

» »Golfing in a park« is the creed of the **Baden-Baden Golf Club**. Although the course »only« has a par of 64, it also demonstrates its refinement for those with low handicaps, and is a welcome challenge compared to many modern courses that are long, wide and flat. For golfers, playing a round in Baden-Baden is comparable to an classic car fan taking part in the Mille Miglia Rally. Bareiss guests receive a **discount of € 10** off the green fee.

» **Soufflenheim Golf Club** is located in an enchantingly peaceful environment surrounded by forest, far from any stress or noise. 33 greens and 18 lakes, some newly created, are harmonically embedded in the tranquil wetland landscape. A purely natural experience and a masterpiece created by German golf professional Bernhard Langer. Bareiss guests receive a **20 % green fee discount**.

» **Königsfeld Golf Club** is located in the hilly landscape of the Black Forest, on the edge of the health resort of Königsfeld, where Albert Schweitzer lived with his family. You are bound to feel good here. At the Golf Club you can switch off while enjoying your round of golf far from traffic or airplane noise and surrounded by nature. There are no official starting times at the Königsfeld Golf Club, even at weekends. Bareiss guests receive a **25 % green fee discount**.

» The **Domäne Niederreutin Golf Club** is an impressively beautiful course in the heart of Baden-Württemberg – unique, individual, and very varied. The Domäne Niederreutin is a member of the Leading Golf Clubs of Germany and is one of Germany's most beautiful golf courses. The golfer can expect a 27-hole course designed as three 9-hole courses with regularly changing game combinations for 18-hole and 9-hole rounds. The course's gently rolling topography, free from steep ascents, will impress even the experienced golfer and provide hours of sporting pleasure. Bareiss guests receive a **discount of € 15** off the green fee.

» The **La Wantzenau Golf Club** seamlessly combines sport and nature in a lush 72-hectare paradise, located just ten kilometres from Strasbourg in Alsace. Designed by two internationally renowned experts, the course is the work of the distinguished English architect Jeremy Pern and Jean Garaïalde, one of France's top golf professionals. The result is a highly varied 18-hole course, featuring water courses as a key design element. Bareiss guests receive a **15 % discount** on the green fee.
