The Bareiss Riding Stables

JANA KOBLITZ has turned her passion into her profession and has captured our hearts with her calm level-headedness even when going at a brisk gallop. The reins are in soft and professional hands with her: as a qualified riding instructor with a B-level trainer's licence and as head of our children's programme, she knows how to teach horsemanship to youngsters in a sensitive and age-appropriate way.

Join the Bareiss Pony Club

During the holidays the stable doors will open twice a week as part of the children's holiday programme, and children will be able to participate in the Bareiss Pony Club for free. We will also be organising family hacks to the Sattellei Hiking Cabin with our four-legged friends. The ponies and children will get to know each other, then after grooming and saddling up the ponies together we can go out into the countryside and have a go at leading the ponies on the lead rein or sitting in the saddle. To register please contact reception or book via the children's holiday programme.

REGISTRATION

You can book events from the holiday programme at the holiday corner from 9.00 to 10.00 a.m. Our team at the Villa Kunterbunt are also happy to assist you, you can reach them on 07442/47-280.

We advise that you book as early as possible, the day before at the very latest. It is important to us that our ponies get enough rest and breaks between activities so that they too will be relaxed and happy for the lessons.
