THE CHILDREN'S PROGRAMME AT THE HOTEL BAREISS

The Hotel Bareiss not only has a lot to offer adults, but also children. The youngest guests of the hotel are cared for by trained and competent supervisors.

And there are three groups because the needs and interests are very different in this age range: the Minis between 3 and 6, the Maxis between 7 and 11, and the Teens from 12 years of age. Each group has a daily programme appropriate for their ages – from 9.00 a.m. to 11.00 p.m. during the main school holidays and from 9.00 a.m. to 6.00 p.m. at other times of the year – naturally, all of this is voluntary. We are happy to cater for individual wishes. And those who want to make a very special trip can get advice from our Children's Programme team about the best excursions in the region.

Children under 3 years of age are in the best of hands during the day and in the evening and, following advance arrangements, are given all-round care. You can arrange dates and times for babysitting directly when you make your reservation or you can contact Reception during your stay. Price: € 20 per hour.
